WIDE WORLD NATIVE LIFE IN INDIA. Series V.

"COLOMBETTE" [Regd.] Postcard 9317.
Raphael Tuck & Sons
ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

Printed in England.

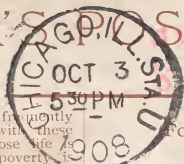

By Appointment.

A Begging Fakir. A fakir is one of the most frequently met types in India, which literally swarms with these "holy men." A fakir is a sacred person, whose life is spent under self-imposed vows, of which poverty is usually a prominent feature; the consequence is that they are little more or less than authorised beggars. They possess considerable influence over the native population.
